

FCC folks: Please DO NOT tamper with our Wisconsin Do Not Call list requirements and/or laws. I DO NOT want anyone I've done business with and no longer do business with to be able to contact me. If I terminate a business relationship with a bank, investment company, credit card, etc., it is for a reason I deem necessary and I DO NOT want them to be able to contact me again, not the next day or the next week or month or ever. If I decide I want to do business with them or contact them I will do so. Please DO NOT impose them on me, I do not want to have to go back to screening all calls.
